**Event:** SPIE Astronomical Telescopes + Instrumentation, 2022, Montréal, Québec, Canada

**Online Publication Date:** 29 August 2022

**Erratum Published:** 15 September 2023

*A revised version of this manuscript and its accompanying poster presentation were published on 15 September 2023. Details of the revision are provided in the text that accompanies this Erratum. The original paper and poster have been updated.*

**Publisher's Note:** This paper [SPIE Proceedings Volume 12185, Adaptive Optics Systems VIII; 121854Y (2022) <https://doi.org/10.1117/12.2628876>] and its accompanying poster presentation were originally published online on 29 August 2022. The original publication misspelled the eighth author's last name as Guemerle. The correct spelling is Gemmerlé.
